5. Additional Instructions:

Finley Engineering will provide a link to download the Crossville FTTH OSP Project Staking Sheets and electronic version of the Unit Pricing Table.

Please email Nancye Allison with Finley Engineering for the link to the Project Documents.

Bidder shall provide an electronic version of the Unit Pricing Table in the original Excel file format shall be included in the electronics submission. The file is titled "**Crossville Telephone Connect Illinois FTTH Construction Bid.xlsx**". If the Bidder does not alter the format of the Excel spreadsheets, the bid pages will print out on standard 8 1/2x 11 paper. The Bidder shall be responsible for verifying all equations used in the pricing section of the Unit Pricing Table are correct. In the event of a discrepancy between the electronic version of the table and the pdf Unit Pricing Table signed by the Bidder, the pdf unit prices will be considered as the official bid price for that unit. The Owner and Engineer reserve the right to waive any minor irregularity in the bid package when the intent of the Bidder is apparent.
